DETAILED ACTION

Allowable Subject Matter

1. Claims 1, 3-7 and 9-10 are allowed for the reasons stated in the Office Action of October 2, 2008.
2. Claim 11 is allowed.

The following is an examiner's statement of reasons for allowance:

The references fail to teach, disclose, or suggest, either alone or in combination, the locking element being prevented from deflecting into a release position when a groove and tongue connection is engaged, the groove and tongue connection having a pushbutton actuator, releasing the groove and tongue connection by depressing the pushbutton actuator and in combination with the rest of the limitations of the base claims.

Applicant's arguments, see Pages 5-6, filed November 21, 2008, have been fully considered and are deemed persuasive.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
